Community Montessori School & Montessori Middle School of Kentucky Week of November 6, 2006

A Note from Mrs. Ashby:

Thanks to the CFE Committee and all our parents – our fund raiser was a great success. We will inform you of the profit made for the school very soon.

This year’s committee worked very hard organizing this huge event. For the first time in many years, I actually got to relax and enjoy most of the evening. All the parents who showed up to work their shifts and all the members of the committee who stayed alert and did all the trouble-shooting through out the evening made that difference.

The committee would like your feedback on the evening. Just give me a call or write a note if you have suggestions or comments.

Oh! What a night!!

REMINDER: Parent Teacher Conferences

Our Parent Teacher conferences start this Friday, November 10th and continue the following Friday, November 17th. Last week, you should have received a conference time by “kiddie mail”. If you did not receive your note, or if you are unsure when your conference time is, please call the office and we will give you that information. Each year we look forward to these conferences. It is a time for our teachers and parents to get to know one another better and there is always so much laughter and stories that fill the building on these days!
